

November 4, 2022

Dear Office Manager or Administrator:

We are excited to announce that Eventus WholeHealth has joined the LeadingReach network to improve the efficiency and effectiveness of our referral process to your organization. LeadingReach is a HIPAA-secure, web-based platform that combines the largest connected provider community in healthcare with clinical workflow management tools, secure team-based chat, and document exchange.

LeadingReach has many benefits for your office staff and patients including:

- The ability to eliminate unnecessary faxing and phone calls
- Digital referral information delivered to your organization
- HIPAA secure office to office chat, team messaging, and file transfers
- Accountable transition of care with improved patient experience

Effective November 7th, 2022, patient referrals from Eventus will be initiated and sent from LeadingReach to your clinic or organization. In order to receive these referrals, it's important for you to sign up for a LeadingReach account. If you already have an existing LeadingReach account, you are all set to receive referrals digitally via LeadingReach.

For more information and to sign up please visit: <https://leadingreach.com/eventus>

Our goal is to ensure that our patients are getting the healthcare that they need in a timely manner. Thank you in advance.

Sincerely,
