

An Important Message

for Primary Care Providers and Staff

Zephyr, powered by Leading Reach, now has the capability to create and send referrals

- Zephyr quickly connects PCPs and specialists in a few quick steps:
CHOOSE > DOCUMENT > UPLOAD > TRANSMIT
- Zephyr's **Send Referrals** tab lists WellMed-provided, in-network, specialists and displays distance between the member's home of record and the specialists' office
- Simple tier choice provided by WellMed
- Specialists provide notes, labs, and clinical guidance back to PCPs through your LeadingReach account
- Electronic document transmission, chat and many more features

Attestation (28) Quality (8) Send Referrals Outgoing Referrals

LeadingReach CORE referral management software provided by WellMed allows for:

- Management of all referrals
- Secure and bi-directional communication between provider and specialist
- Minimizing inefficiencies throughout the referral management process
- Communication support via chat function
- Online 1:1 or group training available

About LeadingReach, the company

- WellMed's partner in developing Zephyr, a patient data warehouse platform used by providers to track, monitor and coordinate patient care
- Combines the largest connected provider community in health care with clinical workflow management tools, secure team-based chat, and document exchange
- Maintains a growing network of over 40000 health care organizations and 150,000 providers

To learn more about all the functions of Zephyr, scan the QR code below.

For provider use only.
Not for patient distribution.

To access the platform now, PCP practices need:

- **an account for Zephyr**
 - > In ePRG, select **Zephyr Access Request** link via eTools drop down menu
- **an account for the LeadingReach referral management software**
 - > To create account, go to link provided in Zephyr
- **To link Zephyr and LeadingReach**
 - > Go to User Settings in Zephyr (utilizing the same email account)
 - > Communicate with specialists for patient referrals

WellMed employed, contracted, and affiliated PCPs will receive services at no charge.
